Dale Merkel - Project Manager

...

Dale and **Theresa** travelled to Haiti with Frank McKenna, a Florida land developer who is best known for his ongoing humanitarian projects.

...

The June, 2008 trip to Haiti was to view the two homes that **Dale** and **Theresa** had built for the poor.

...

Dale Merkel is Project Manager for **Oceanview Estates**. **Dale** was born and raised in Drumheller, Alberta, where the dinosaurs once roamed thousands of years ago. Many tourists travel to Drumheller each year to see the famous **Royal Tyrell Museum of Palaeontology** to view dinosaur skeletons and petrified fossils.

Over the years, **Dale** has worked in the commercial building industry as well as many design built residential developments in western Canada. His knowledge of the industry spans from the oil patch of Fort McMurray to the City of Calgary.

You will rarely find **Dale** without a camera, an indication of his love of photography. **Dale** has photographed many subjects for **Theresa's** paintings.

Dale has a daughter who is a graduate of **The University of Lethbridge** and a son who excels at basketball (at 6'5" tall), he attends college at Medicine Hat for a Business Degree.

Theresa and **Dale** bring their many and varied talents together to create an enthusiastic and hard working team at **Oceanview Estates Inc.**
